ITCHING IRRITATION.

Worst Form of Skin Trouble Quickly
Cured by Inexpensive Treatment.

When you suffer with any skin
trouble, even though the itching
seems unbearable, do not think that
it is necessary to use some disgusting
greasy ointment. Try HOKIRA, a pure
and simple skin food, that is guaran-
teed to contain no grease or acids and
which is so cleanly that it does not
soil the linen.

Its power to instantly relieve any
irritation of the skin and make it soft,
white and beautiful, is almost miracu-
lous.

Not only are minor skin troubles
like pimples, blackheads, acne, ber-
ber's itch, etc., quickly cured, but
the worst ulcers or cases of salt rheum
or eczema, are cured and healed by
this wonderful skin food.

In order that any one may try Ho-
kira at small expense, The Lee & Os-
good Co. are selling a liberal sized jar
at 25c, and in addition guarantee to

Women's Hair Can Easily Be Made Radiant and Luxuriant

Any woman can have fascinating
and heavy hair by using Parisian Sage,
the most efficient hair grower and dan-
druft cure.

Parisian Sage is the favorite hair
dressing of refined people, and since
its introduction into America it has
won with wonderful success.

If you want beautiful, lustrous hair
that will be the envy of your friends,
go to The Lee & Osgood Co. and get
a bottle of Parisian Sage today and
use it for two weeks.

Then if you are not satisfied that
Parisian Sage is the most delightful
and refreshing hair invigorator you
have ever used, take it back and get
your money.

That's a fair offer, of course. And
here is another one.

If Parisian Sage does not cure dan-
druft, stop falling hair, splitting hair
or itching scalp, in two weeks, the
money will be returned.

Dandruff is a forerunner of bald-
ness; get rid of it at once. Parisian
Sage kills the dandruff germs, it stimu-
lates and tones up the hair roots and
prevents the hair from turning gray.

It is absolutely the most refreshing
and invigorating hair dressing known
to mankind. It
